Statement of Directors' Responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditor's Report

We have audited the financial statements of On Course South West CIC for the year ended 31 July 2016, set out on pages 6 to 19. The financial reporting framework that has been applied in their preparation is applicable law and the Financial Reporting Standard for Smaller Entities (Effective January 2015) (United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Statement of Directors' Responsibilities (set out on page 3), the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on the financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 July 2016 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to smaller entities, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns, or
- *certain disclosures of directors' remuneration specified by law are not made, or*
- we have not received all the information and explanations we require for our audit, or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemption in preparing the Directors' Report and take advantage of the small companies exemption from the requirement to prepare a Strategic Report

Notes to the Financial Statements

Year Ended 31 July 2016

1 Accounting policies

Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015)

Going concern

The financial statements have been prepared on a going concern basis.

Turnover

Turnover represents amounts chargeable in respect of the sale of goods and services to customers

Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Property Improvements	Over the life of the lease
Fixtures and Fittings	12.5% - 20% Straight Line
Office Equipment	20% - 33% Straight Line
Plant and Machinery	20% Straight Line

Stock

Stock is valued at the lower of cost and net realisable value, after due regard for obsolete and slow moving stocks. Net realisable value is based on selling price less anticipated costs to completion and selling costs

Deferred tax

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes, which have arisen but not reversed by the balance sheet date, except as required by the FRSSE.

Deferred tax is measured at the rates that are expected to apply in the periods when the timing differences are expected to reverse, based on the tax rates and law enacted at the balance sheet date.

Hire purchase and leasing

Rentals payable under operating leases are charged in the profit and loss account on a straight line basis over the lease term.

Assets held under finance leases, which are leases where substantially all the risks and rewards of ownership of the asset have passed to the company, are capitalised in the balance sheet as tangible fixed assets and are depreciated over the shorter of the lease term and their useful lives. The capital elements of future obligations under the leases are included as liabilities in the balance sheet. The interest element of the rental obligation is charged to the profit and loss account over the period of the lease and represents a constant proportion of the balance of capital repayments outstanding.

Pensions

Retirement benefits to employees of the company are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes, are contracted out of the State Earnings-Related Pension Scheme ('SERPS'), and the assets are held separately from those of the company. The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the company in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quinquennial valuations using a prospective benefit method. As stated in the notes to the financial statements, the TPS is a multi-employer scheme and the company is unable to identify its share of the underlying assets and liabilities of the scheme on a consistent and reasonable basis. The TPS is therefore treated as a defined contribution scheme and the contributions recognised as they are paid each year.

The LGPS is a funded scheme and the assets are held separately from those of the company in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to profit are the current service costs and gains and losses on settlements and curtailments. They are included as part of staff costs. Past service costs are recognised immediately in the profit and loss if the benefits have vested. If the benefits have not vested immediately, the costs are recognised over the period until vesting occurs. The expected return on assets and the interest cost are shown as a net finance amount of other finance costs or credits adjacent to interest. Actuarial gains and losses are recognised immediately in other gains and losses.

On the 1st April 2015 Plymouth City Council transferred to On Course South West CIC the services and assets related to the Plymouth Adult and Community Learning Service. As part of the transfer the company received £579,653 in cash relating to the interim and prior year surpluses generated by the service which have been accounted for as a capital contribution reserve. This has been netted off against the opening liability acquired on the defined benefit pension scheme (£316,000).

12 Prior period adjustments

The company has restated the prior year to recognise the defined benefit pension liability acquired by the company following the spin out from the Local Authority. The company previously believed that the scheme was fully funded so recognised no liability. Although the scheme was fully funded on the ongoing basis a pension liability is now known to exist under the accounting basis. The opening liability acquired has been netted off against the original capital contribution received. The effect of this adjustment has been to reduce reserves as at 31st July 2015 by £307,700. The company is seeking advice to determine whether the pension liability at spin out is in fact fully funded as covered in the terms of the Transfer Agreement.

13 Pension schemes

Defined benefit pension schemes

Teachers Pension Scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the *Teachers' Pensions Regulations (2010)* and, from 1 April 2014, by the *Teachers' Pension Scheme Regulations 2014*. The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis - these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

The most recent valuation was at 31 March 2012 which has been updated to reflect conditions at the balance sheet date. Not less than every four years the Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the *Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014* published by HM Treasury. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2012 and in accordance with the *Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014*. The valuation report was published by the Department for Education on 9 June 2014.

The company has accounted for its contributions to the scheme as if it were a defined contribution scheme.

The contributions of the company were 16.40% of pensionable earnings. Future contributions in the next year are expected to be 16.40% of pensionable earnings.

Local government pension scheme

The LGPS is a funded defined-benefit scheme, with the assets held in separate trustee-administered funds.

The most recent valuation was at 31 March 2013 which has been updated to reflect conditions at the balance sheet date.

The contributions of the company were 14.30% of pensionable earnings. Future contributions in the next year are expected to be 14.30% of pensionable earnings.

This template illustrates what the Regulator of Community Interest Companies considers to be best practice for completing a simplified community interest company report. All such reports must be delivered in accordance with section 34 of the Companies (Audit, Investigations and Community Enterprise) Act 2004 and contain the information required by Part 7 of the Community Interest Company Regulations 2005. For further guidance see chapter 8 of the Regulator's guidance notes and the alternate example provided for a more complex company with more detailed notes.

(N.B. A Filing Fee of £15 is payable on this document. Please enclose a cheque or postal order payable to Companies House)

PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT

In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a description of how they have benefited the community.

On Course South West CIC is a mutual venture made up of staff of Plymouth Adult and Community Learning Shekinah Mission and Plymouth YMCA.

On Course South West provided adult learning course throughout Plymouth and the travel to work area, delivering programmes in three ways: through learning, for work, and in business.

Our learning courses were run from community venues across the City and offered a wide range of day and evening classes for people to enjoy, ranging from Functional Skills, GCSE Maths and English, AAT accountancy courses to willow weaving to watercolour painting and foreign language courses

Our work courses were funded by the Skills Funding Agency via Plymouth City Council we engaged with people to upskill them for progression into or within work. Maths, English and a wide range of introductory workplace qualifications were offered. We work alongside a range of specialist organisations to support those furthest from the workplace into mainstream opportunities.

Our business courses are either accredited or bespoke. Working with employers we tailor the delivery to truly benefit both the organisation and the employees. Management, team-leading, AAT and computerised accounting are particular specialities, however with over 80 qualified tutors, there is very little we cannot offer or source.

SOCIAL VALUES

Our company is: Approachable, adaptable, flexible and responsive, high quality, professional, honest and transparent, caring

Our People are: Optimistic, honest, supportive, responsible, ambitious, hard working, self-disciplined, positive, passionate, focussed, accountable, flexible

We believe in: Reinvestment in our community – not profit, diversity and real equality, social justice, trading with integrity, supporting each other to be the best we can be, respect and compassion

We work with and support other third sector organisations within the city EG providing below market value rented accommodation for Memory Matters.

Surplus generated supports opportunities in learning which otherwise would be unfunded.

(If applicable, please just state "A social audit report covering these points is attached")

(Please continue on separate continuation sheet if necessary.)

PART 2 – CONSULTATION WITH STAKEHOLDERS – Please indicate who the company's stakeholders are; how the stakeholders have been consulted and what action, if any, has the company taken in response to feedback from its consultations? If there has been no consultation, this should be made clear.

Stakeholders. Staff, YMCA Plymouth, Shekinah Mission, Plymouth Learners and wider population, Plymouth community organisations.

The organisation listens to the views of its stakeholders via a learner and staff forum which meets at least 3 times per year and learner feedback forms.

The organisation listens to its community via data analysis of skills shortages and consultation with community groups, Plymouth City Council and organisations working within specialist areas of need

(If applicable, please just state "A social audit report covering these points is attached").
