## Directors' report (incorporating the Strategic report) for the year ended 31 July 2018

The directors present their report and the audited financial statements of The College Merthyr Tydfil (known as 'the Company' or 'the College') for the year ended 31 July 2018. The financial statements have been prepared to comply with the Companies Act 2006 and the Statement of Recommended Practice (SORP): Accounting for Further and Higher Education 2015 and in accordance with applicable accounting standards.

### **Principal activities**

The College is a wholly owned subsidiary of the University of South Wales (USW) and the principal activities are the provision of further education, higher education, work based learning, professional training, consultancy and the delivery of Government initiatives to industry.

### Strategic Report

#### Business review and future developments

During the year, the Board has agreed an updated five-year strategic plan which articulates how the College will develop. By 2018-19 the College will be in the fifth full year of operation as a tertiary College where all post 16 learners from Merthyr Tydfil attend the College taking a mix of academic and vocational gualifications. The College's strategic priorities are to:

- Enhance our reputation amongst learners, parents, teachers, employers and communities
- Deliver an outstanding learning experience and raise levels of achievement, success and progression
- Be recognised as a dynamic and sustainable College
- Engage positively with learners, parents, teachers, employers and communities.

### Financial risk management

The College is committed to exhibiting best practice in all areas of financial risk management and corporate governance, fully adhering to the principles set out in the Governance Code of Practice and General Principles, issued by the Committee of University Chairmen (CUC) to accompany their Guide for Members of Higher Education Governing Bodies, in November 2009.

The College's Board of Directors is responsible for the system of internal control and for reviewing its effectiveness. The system is designed to manage rather than eliminate the risk of failure to achieve business objectives and can only provide reasonable and not absolute assurance against material misstatement or loss.

The College maintains a risk register which considers business, operational, compliance and financial risks. The register is regularly reviewed by senior management, and the College's risk management process is consolidated into the University of South Wales (parent entity) whose internal control guidance adheres to the combined code as amended by the British Universities Finance Directors Group.

The Board of Directors met five times during the reporting period. In terms of audit arrangements, whilst a separate College Audit Committee has not been established, all audit reports and reviews and other information relating to the company are formally received by the University of South Wales' Audit Committee which meets four times per year. The 2017-18 annual report of the internal auditors was considered by both the University's Audit Committee and the College's Board of Directors, who also approved the internal audit plan for 2018-19.

As part of the University of South Wales group financial risk management and internal control framework, as highlighted in the financial statements of the University of South Wales, the College has undertaken work during the year to develop and embed the system of internal control, including financial, operational and risk management which is designed to protect the College's assets and reputation.

Based on the strategic plan, the College Executive (the senior management team) undertakes a comprehensive review of the risks to which the College is exposed. The College Executive identify systems and procedures, including specific preventative actions which should mitigate any potential impact on the College. The internal controls are then implemented and the subsequent year's appraisal will review effectiveness and progress against risk mitigation actions. In addition to the annual review, the College Executive will also consider any risks which may arise as a result of a new area of work being undertaken by the College.

## Directors' report (incorporating the Strategic report) for the year ended 31 July 2018 (continued)

A risk register is maintained at the College which is reviewed four times a year by the Board of Directors. The risk register identifies the key risks, the likelihood of those risks occurring, their potential impact on the College and the actions being taken to reduce and mitigate the risks. Risks are prioritised using a consistent scoring system.

#### Results

The company's surplus for the year ended 31 July 2018 was £247K (2017: £194K).

The College's cash and liquidity positions remained strong throughout the year, with year-end cash balances exceeding target with a healthy current ratio (current assets to current liabilities).

### **Key Performance Indicators**

The following three key performance indicators (KPIs) are relevant when assessing performance for the year:

- i) Surplus £247K (2017: £194K)
- ii) Year-end cash position £4561K (2017: £3691)
- iii) Current ratio 2.53 (2017: 1.76)

Student numbers: Further education recruitment remained strong.

Quality: Student outcomes improved substantially in 2017-18 and the College has one of the stronger quality profiles in Wales. The College received good reports from its further education students in the 'Learner Voice' and its higher education students in the 'National Student Satisfaction Survey'.

Health & Safety: The College as part of its work based learning consortium received a grade of excellent; the most recent audit conducted by the University demonstrated a sound approach to the management of health and safety. The College has an action plan to address any shortcomings identified in audit reports with the next audit planned for Spring 2019.

### Principal risks and uncertainties

Outlined below are the principal risks facing the College. Not all the factors are wholly within the College's control. Other factors besides those listed below may also adversely affect the College.

### Government funding

The College relies considerably on continued government funding. In 2018 85% of the College's revenue was ultimately public funded and this level of requirement is expected to continue. There can be no assurance that government policy or practice will remain the same or that public funding will continue at the same levels or on the same terms.

The College will continue to explore alternative sources of income both in collaboration with partners and in its own right. This risk is mitigated in a number of ways:

- Funding is derived through a number of direct contractual arrangements;
- By ensuring the College is rigorous in delivering high quality education and training;
- Expansion of higher education under HEFCW's widening access agenda,
- Considerable focus and investment is placed on maintaining and managing key relationships with the various funding bodies; and
- Ensuring the College is focused on those priority sectors which will continue to benefit from public funding.

#### **Dividends**

The company is limited by guarantee. The directors do not recommend the payment of a dividend in respect of the year ended 31 July 2018 (2017 – nil).

### **Statement of Corporate Governance and Internal Control**

The College is committed to exhibiting best practice in all aspects of corporate governance. This summary describes the manner in which the College has applied the principles set out in the UK Corporate Governance Code issued by the Financial Reporting Council in June 2010. Its purpose is to help the reader of the annual report and financial statements understand how the principles have been applied. In the opinion of the governors, the College complies with all of the provisions of the Code, in so far as they apply to the further and higher education sectors, and it has complied throughout the year ended 31 July 2018 and up to the date of signing the annual report and financial statements.

The College reviews, at least annually, the effectiveness of the internal control system.

#### **Directors and their interests**

The existing directors and those who held office during the year and up to the date of signing the annual report and financial statements, are given below:

Mrs H Mansfield OBE \* (Chair)

Mr S H Best (Chairman resigned August 2017)

Mrs K N Burns\*

Mr G Chapman \*

Dr J. Graystone\* (resigned August 2018)

Mr A M Jenkins\*

Prof. J E Lydon Mr G Morgan\*

Ms R Moxey\*

Mr J T O'Shea (resigned September 2018)

Ms L Braddock \* Mr H R Williams

Mrs Lisa Thomas (appointed September 2018)

### **Post Balance Sheet Activity**

On 1 August 2018, the College acquired Tydfil Training Company Limited, a charitable company engaged primarily in the provision of work based learning training. In addition the organisation delivers other educational and employment related contracts for organisations such as Department for Work and Pensions, Merthyr Tydfil County Borough Council, WCVA and the Princes Trust.

Tydfil Training Company's turnover for the year ended July 31 2018 was some £948,000 and its net assets at acquisition, as recorded in the draft accounts were some £850,000. Since acquisition the College and Tydfil Training Company management teams have been working together to maximise the benefits available to both parties. By combining our resources and skills, it will give the new body the greatest potential to maximise the offer from the newly commissioned "Working Wales" contract.

<sup>\*</sup>non-executive directors

## Directors' report (incorporating Strategic report) for the year ended 31 July 2018 (continued)

### **Employees**

Applications for employment by disabled persons are always fully considered, taking into account the respective aptitudes and abilities of the applicant concerned. In the event of members of staff becoming disabled, every effort is made to ensure that their employment with the company continues and the appropriate training is arranged. It is the policy of the company that the training, career development and promotion of a disabled person should, as far as possible, be identical to that of a person who does not suffer from a disability.

Consultation with employees or their representatives has been undertaken, with the aim of ensuring that their views are taken into account when decisions are made that are likely to affect their interests. The company is a member of the University of South Wales Equalities Forum, and its sub-groups. Communication with all employees is undertaken through termly staff meetings, and e-mails as required.

### Statement of directors' responsibilities

The directors are responsible for preparing the Directors' report (incorporating the strategic report) and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the company financial statements in accordance the Companies Act 2006, the Statement of Recommended Practice – Accounting for Further and Higher Education Institutions, the Accounts Direction issued by the Higher Education Funding Council for Wales and other relevant Accounting Standards (United Kingdom General Accounting Practice). In addition, within the terms and conditions of the Financial Memorandum agreed between the company and the University (Financial Memorandum), the directors are required to prepare the annual report and financial statements for each accounting period which give a true and fair view of the state of affairs of the company and of the surplus or deficit for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors took reasonable steps to meet their responsibilities in respect of:

- ensuring that funds from Welsh Government were used only for the purpose for which they were given and in accordance with the Financial Memorandum and any other conditions which the Welsh Government may from time to time prescribe;
- ensuring that there were appropriate financial and management controls in place to safeguard public funds and funds from other sources;
- safeguarding the assets of the company and to prevent and detect fraud and other irregularities securing the economical, efficient and effective management of the company's resources and expenditure.

### **Directors' indemnities**

The company purchased and maintained throughout the financial year directors' and officers' liability insurance.

This was also in force at the date of approval of the annual report and financial statements.

## Directors' report (incorporating Strategic report) for the year ended 31 July 2018 (continued)

### Provision of information to auditors

In the case of each director in office at the date the directors' report is approved, the following applies:

- (a) so far as the director is aware, there is no relevant audit information of which the company's auditors are unaware; and
- (b) he/she has taken all the steps that ought to have taken as a director in order to make himself / herself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

## **Independent Auditors**

The independent auditors, PricewaterhouseCoopers LLP, have indicated their willingness to continue in office, and a resolution concerning their reappointment will be proposed at a future meeting of the Board.

### By order of the board

Company secretary W D Callaway

November 2018

### Public Benefit Statement for the year ended 31 July 2018

Merthyr Tydfil College Limited is a registered charity. The registered address is Merthyr Tydfil College, (University of South Wales), Treforest, Pontypridd, CF37 1DL and the registered number is 1140289. The members of the Board are directors for the purposes of the Companies Act 2006 and also are the trustees of the Charity and as such have due regard to the Charity Commission's guidance on public benefit and its supplementary guidance on the advancement of education for the public benefit.

### **Charitable Objectives**

The College promotes the advancement of education and learning for the public benefit. It also provides, maintains and improves performance facilities for the benefit of the local community.

The College is well aware of its public benefit responsibility and, therefore, ensures this is embedded in all of its operations to offer fully inclusive services.

### Fulfilment of the charitable objectives

### Beneficiaries

The College has a student population of approximately 3,200 learners through different modes of study, 2,200 full time and 1,000 part time. The primary beneficiaries are students of the College directly engaged in high-quality training in a range of disciplines. However, beneficiaries extend to pre-College students (from the age of fourteen upwards) in addition to local employers and businesses.

#### Admissions policy

The College operates a flexible admissions policy and provides for individual needs in the design of learning programmes. For some programmes there are specific entry requirements which are reviewed annually and published in the College prospectus.

### Bursaries/scholarships

Students enrolled at the College are entitled to apply for various support and funding in the same way as anyone studying in further or higher education in Wales. These are funded by the College.

Students studying further education courses at the College are eligible to apply for various means of support. The Education Maintenance Allowance is available to students aged 16 to 19 years with the Assembly Learning Grant available to students aged 19+. The Bursary grant is an alternative means of support which is funded through the Colleges' Access funds.

In addition to the above the College also administers other initiatives that students can access. Subsidised childcare facilities, free meals and transport allowances are available along with financial support for educational visits and study aids.

Higher education students have access to alternative methods of support. The Assembly Learning Grant or the Higher Education Fee Waiver can be applied for depending on individual circumstances. There are also funds available for HE students in financial hardship. The College provides student support and guidance on the application process.

### Widening Participation

The College provides a wide range of programmes for learners from the age of 14 years. Many learners are able to access grant support as a means of tackling social exclusion. In terms of community provision, the College offers a wide range of accredited programmes that are delivered through partnership working with the local county borough council. Likewise, many family learning programmes are offered in community venues on an annual basis.

### Community Engagement

The College offers other facilities which are accessible to students, staff and members of the community. A large sports hall is available for hire along with various sporting equipment. The College facilities are charged at subsidised rates to ensure their accessibility to all.

### New Building

In September 2013, the College relocated from its building which was opened in 1955, to a brand new purpose built College. The new College was funded by a 100% grant from the Welsh Government and cost £33 million. This building has provided the borough of Merthyr Tydfil and the surrounding areas with a state of the art facility that will benefit learners and the wider community.

### Public Benefit Statement for the year ended 31 July 2018 (continued)

### Statement of trustees' responsibilities

The trustees (who are also directors of Merthyr Tydfil College Limited for the purposes of company law) are responsible for preparing the Directors' report (incorporating the Strategic Report) and the financial statements in accordance with applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under that law the trustees have prepared the charitable company financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), the Companies Act 2006, the Statement of Recommended Practice – Accounting for Further and Higher Education Institutions, the Accounts Direction issued by the Higher Education Funding Council for Wales and other relevant accounting standards. In addition, within the terms and conditions of the Financial Memorandum agreed between the charitable company and the Higher Education Funding Council for Wales and under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of the affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Statement of recommended Practice; Accounting for Further and Higher Education Institutions;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees took reasonable steps to meet their responsibilities in respect of;

- keeping adequate accounting records that are sufficient to show and explain the charitable company's
  transactions and disclose with reasonable accuracy at any time the financial position of the charitable company
  and enable them to ensure that the financial statements comply with the Companies Act 2006, the Statement of
  Recommended Practice Accounting for Further and Higher Education Institutions, the Accounts Direction
  issued by the Higher Education Funding Council for Wales and other relevant accounting standards;
- ensuring that funds from the Higher Education Funding Council for Wales are used only for those purposes for which they have been given and in accordance with the Financial Memorandum with the Funding Council and any other conditions which the Funding Council may from time to time prescribe;
- ensuring that there are appropriate financial and management controls in place to safeguard public funds and funds from other sources:
- safeguarding the assets of the charitable company;
- taking reasonable steps for the prevention and detection of fraud and other irregularities; and
- securing the economical, efficient and effective management of the charitable company's resources and expenditure.

The trustees are responsible for the maintenance and integrity of the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

#### Statement of disclosure of information to auditors

In the case of each director in office at the date the directors' report is approved, the following applies;

- (a) so far as the trustee is aware, there is no relevant audit information of which the charitable company's auditors are unaware; and
- (b) he has taken all the steps that he ought to have taken as a trustee in order to make himself aware of any relevant audit information and to establish that the charitable company's auditors are aware of that information.

# Independent auditors' report to the Governing Body of Merthyr Tydfil College Limited (the "Institution")

### Report on the financial statements

### Our opinion

In our opinion Merthyr Tydfil College Limited's financial statements (the "financial statements"):

- give a true and fair view of the state of the institution's affairs as at 31 July 2018, and of the institution's income and expenditure, and cash flows for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice
  (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the
  UK and Republic of Ireland", and applicable law);
- have been prepared in accordance with the requirements of the Statement of Recommended Practice Accounting for Further and Higher Education;
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been properly prepared in accordance with the Accounts Direction issued by the Welsh Government.

We have audited the financial statements, included within the Annual Report and Financial Statements (the "Annual Report"), which comprise: the institution's Balance Sheet as at 31 July 2018; the Income and Expenditure Account for the year then ended; Statement of Changes in Reserves for the year then ended; the Cashflow Statement for the year then ended; the accounting policies; and the notes to the financial statements, which include other explanatory information.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Independence

We remained independent of the institution in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which ISAs (UK) require us to report to you when:

- the Governing Body's use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Governing Body has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the institution's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the institution's ability to continue as a going concern.

# Independent auditors' report to the Governing Body of Merthyr Tydfil College Limited (the "Institution") - (continued)

### Reporting on other information

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The Governing Body is responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Directors' Report (incorporating Strategic Report), we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (UK) require us also to report certain opinions and matters as described below.

### Strategic Report and Directors' Report

In our opinion, based on the work undertaken in the course of the audit, the information given in the Directors' Report (incorporating the Strategic Report) for the year ended 31 July 2018 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the institution and its' environment obtained in the course of the audit, we did not identify any material misstatements in the Directors' Report (incorporating the Strategic Report).

### Responsibilities for the financial statements and the audit

### Responsibilities of the Governing Body for the financial statements

As explained more fully in the Statement of Trustees' Responsibilities set out on page 9, the Governing body (who are also the directors of the institution for the purposes of company law) is responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The Governing body is also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Governing body is responsible for assessing the institution's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the Governing body either intends to liquidate the institution or to cease operations, or has no realistic alternative but to do so.

### Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

# Independent auditors' report to the Governing Body of Merthyr Tydfil College Limited (the "Institution") - (continued)

Use of this report

This report, including the opinions, has been prepared for and only for the institution's Governing body as a body in accordance with Article 18 of the institution's articles of government and Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

### Other required reporting

# Opinions on other matters prescribed in the Further Education Audit Code of Practice 2015 issued by the Welsh Government

In our opinion, in all material respects:

- monies expended out of Welsh Government grants and other funds from whatever source administered by the
  institution for specific purposes have been properly applied to those purposes and, if appropriate, managed in
  compliance with all relevant legislation; and
- income has been applied in accordance with the financial memorandum with the Welsh Government.

### Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the institution, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent institution financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

### Directors' remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

### **Accounting policies**

### **Basis of Preparation**

These financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP): Accounting for Further and Higher Education 2015 and in accordance with the Financial Reporting Standards (FRS 102). The College is a public benefit entity and therefore has applied the relevant public benefit requirement. The financial statements are in accordance with the historical cost convention. Prior Year Income has been restated to reflect the reclassification of Grant Income which did not meet the Frascati definition for research from 'Research Grants and Contracts' to 'Other Income'.

### Recognition of income

Funding body grants are accounted for in the year to which they relate.

Tuition fee income is stated gross and credited to the income and expenditure account over the period in which students are studying. .

Recurrent income from grants, contracts and other services rendered are accounted for on an accruals basis and included to the extent of the completion of the contract or service concerned; any payments received in advance of such performance are recognised on the balance sheet as liabilities.

Non-recurrent grants received in respect of the acquisition or construction of fixed assets are treated as deferred capital grants. Such grants are credited to deferred capital grants and an annual transfer made to the income and expenditure account over the useful economic life of the asset, at the same rate as the depreciation charge on the asset for which the grant was awarded.

Income from the sale of goods or services is credited to the income and expenditure account when the goods or services are supplied to the external customers or the terms of the contract have been satisfied.

Investment income is credited to the income and expenditure account on a receivable basis.

### **Pension schemes**

Retirement benefits for employees of the Company are provided by the Teachers' Pensions Scheme Agency (TPS) and the Rhondda Cynon Taff Pension Fund (RCTPF), a Local Government Pension Scheme (LGPS). RCTPF is a defined benefit scheme which is externally funded and contracted out of the State Earnings Related Pension Scheme.

It is not possible to identify each institution's share of the underlying assets and liabilities in relation to the TPS and hence, contributions to the scheme are accounted for as if this was a defined contribution scheme, the cost recognised within the profit and loss account being equal to the contributions payable to the scheme for the period.

The assets of the LGPS are measured using closing market values. LGPS liabilities are measured using the projected unit method and discounted at the current rate of return on a high quality corporate bond of equivalent term and currency to the liability. The increase in the present value of the liabilities of the scheme expected to arise from employee service in the period is charged to the operating expenditure. The expected return on the scheme's assets and the increase during the period in the present value of the scheme's liabilities, arising from the passage of time, are included in pension finance costs. Actuarial gains and losses are recognised in the statement of comprehensive income.

### **Early Retirement Provision**

The Company maintains a provision to meet pension costs arising from the additional years of service granted to certain staff taking early retirement.

Provisions are established and the associated costs are charged to the income and expenditure account when the College has a legal or constructive obligation. The provision relates to enhanced teachers' unfunded pension arrangements established by the College. These are termination benefits made on a discretionary basis upon early retirement, in respect of the Teachers' Pension Scheme.

### **Accounting policies (continued)**

#### **Employment Benefits**

Short term employment benefits such as salaries and compensated absences are recognised as an expense in the year in which the employees render service to the College. Any unused benefits are accrued and measured as the additional amount the College expects to pay as a result of the unused entitlement.

### **Operating Leases**

Rentals paid under operating leases are charged to the income and expenditure account on a straight line basis over the lease term.

### Foreign currency

Transactions in foreign currencies are translated at the foreign exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are translated at the foreign exchange rate ruling at that date. Foreign exchange differences arising on translation are recognised in the Surplus or Deficit.

### Intangible assets

Intangible assets which comprise software are amortised over 4 years representing the estimated economic life of the asset.

### **Tangible Fixed Assets**

Tangible fixed assets are recorded at purchase cost, including non-recoverable VAT, incidental costs of acquisition, less accumulated depreciation and accumulated impairment losses.

Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost, less estimated residual value of each asset, evenly over its expected useful life, as stated below.

The principal rates used for this purpose are:

Buildings Fixtures and fittings Plant and machinery - up to 50 years straight line

- between 3-25 years straight line

- between 3-40 years straight line

Land is not depreciated.

Assets under construction represent the cost of purchasing, constructing and installing tangible fixed assets ahead of their productive use. No depreciation is charged on assets under construction until they are transferred to the appropriate asset heading when they are brought into use.

### Land and buildings

The freehold interest in land and buildings is included in the balance sheet at cost. Land and buildings acquired, buildings constructed or building refurbishments undertaken during the year, are included at cost less depreciation.

Finance costs directly attributable to the construction of fixed assets are capitalised as part of the cost of those assets.

### Assets Financed by Capital Grant or Donations

Where fixed assets are acquired with the aid of specific grants and donations, they are capitalised and depreciated as above. The related grants or donations are credited to deferred capital grants, and are released to the income and expenditure account over the expected useful economic life of the related asset on a basis consistent with the depreciation policy.

### Stock

Stocks are valued at the lower of cost and net realisable value.

## **Accounting policies (continued)**

### **Provisions**

Provisions are recognised in the financial statements when:

- (a) The College has a present obligation (legal or constructive) as a result of a past event;
- (b) It is probable that an outflow of economic benefits will be required to settle the obligation; and
- (c) A reliable estimate can be made of the amount of the obligation.

A contingent liability arises from a past event that gives the College a possible obligation whose existence will only be confirmed by the occurrence or otherwise of uncertain future events not wholly within the control of the College. Contingent liabilities also arise in circumstances where a provision would otherwise be made but either it is not probable that an outflow of resources will be required or the amount of the obligation cannot be measured reliably.

A contingent asset arises where an event has taken place that gives the College a possible asset whose existence will only be confirmed by the occurrence or otherwise of uncertain future events not wholly within the control of the College.

Contingent assets and liabilities are not recognised in the Balance Sheet but are disclosed in the notes.

Other

The College is a charity registered with the Charity Commission number 1140289 and as such is a charity within the meaning of Para 1 of Schedule 6 to the Finance Act 2010. Accordingly, the College is potentially exempt from taxation in respect of income or capital gains received within categories covered by Sections 478 to 488 of the Corporation Taxes Act 2010 (CTA 2010) (formerly enacted in Section 505 of the Income and Corporation Taxes Act 1988 (ICTA) or Section 256 of the Taxation of Chargeable Gains Act 1992) to the extent that such income or gains are applied to exclusively charitable purposes. The College receives no similar exemption in respect of Value Added Tax. Irrecoverable VAT on inputs is included in the cost of such inputs.

### 19. Related party transactions

The College is a wholly-owned subsidiary of the University of South Wales, and is included in the consolidated financial statements of the University of South Wales, which are publicly available. The College is exempt under the terms of FRS 102 from disclosing related party transactions with entities that are part of the University of South Wales.

Due to the nature of the College's operations and the composition of the Board of Directors (being drawn from local public and private sector organisations), it is likely that transactions will take place with organisations in which a member of the Board of Directors may have an interest. All transactions involving organisations in which a member of the Board of Directors may have an interest are conducted in accordance with the College's financial regulations and normal procurement procedures.

Other than those disclosed elsewhere in the financial statements, no transactions were identified which would be disclosed under FRS102 Related Party Disclosures.

### Notes to the financial statements for the year ended 31 July 2018 (continued)

#### 20. Pensions

The Company participates in two pension schemes, the Rhondda Cynon Taf Pension Fund (RCTPF) for non-academic staff, and the Teachers' Pension Scheme (TPS) for academic staff.

### **TPS**

The Teachers' Pension Scheme is a contributory "sector-wide" scheme for academic staff administered by the Teachers' Pension Agency on behalf of the Department for Education and Skills. The scheme, which does not have a fund but instead operates on a 'pay-as-you-go' basis, is subject to actuarial valuation every five years for the purpose of determining the "sector-wide" contribution rates. The latest actuarial valuation of the scheme was as at 31 March 2012. The cost of pension increases is currently excluded from the valuation and neither employees nor employers contribute to this added value to the employee, which is met directly by the Exchequer.

The contribution rate during the year was 16.48%.

It is not possible to identify each institution's share of the underlying assets and liabilities of the scheme and hence contributions to the scheme are accounted for as if it were a defined contribution scheme. The cost recognised within the Income and Expenditure account of £609k (2017: £620k) is equal to the contributions payable to the scheme for the year.

#### **RCTPF**

The scheme is a defined benefit pension scheme, providing retirement benefits to participants on retirement and benefits to their dependants on death. Pre April 2014 benefits are linked to a final pensionable salary and service at date of retirement (or date of leaving scheme if earlier), post March 2014 benefits accrue on a Career Average Revalued Earnings (CARE) basis.

The scheme is valued every three years, the latest being undertaken by independent consulting actuaries as at 31 March 2016.

Liabilities have been estimated by the independent qualified actuary on an actuarial basis using the projected unit credit method.

In accordance with the requirements of Financial Reporting Standard 102, the independent consulting actuaries, Pension Watch Ltd, updated the results of the March 2016 actuarial valuation in order to ascertain the valuation of the "sub-funds" in the scheme at 31July 2018.

The principal assumptions used by the actuary in this respect were:-

	2018	2017	2016
	%	%	%
Discount rate / interest income on assets General increases in pensionable salaries CPI pension increases	2.75 3.30 2.30	2.75 3.30 2.30	2.60 2.75 1.75

The current mortality assumptions include an allowance for future improvements in mortality rates. Assumed life expectations on retirement today and at age 65 are:-

	2018 Number	2017 Number
Retiring Today:		
Males	22.1	22.2
Females	24.0	24.1

### 21. Ultimate parent undertaking

The ultimate parent undertaking and controlling party is the University of South Wales, a Higher Education Corporation established under the Education Reform Act 1988. The results of the Company have been incorporated in the University of South Wales' consolidated financial statements, which forms the largest and smallest group for which the Company's financial statements are consolidated, copies of which are obtainable from the following address:

University of South Wales Pontypridd Rhondda Cynon Taf CF37 1DL

### 22. Post Balance Sheet Activity

On 1 August 2018, the College acquired Tydfil Training Company Limited, a charitable company engaged primarily in the provision of work based learning training. In addition the organisation delivers other educational and employment related contracts for organisations such as Department for Work and Pensions, Merthyr Tydfil County Borough Council, WCVA and the Princes Trust.

Tydfil Training Company's turnover for the year ended July 31 2018 was some £948,000 and its net assets at acquisition, as recorded in the draft accounts were some £850,000. Since acquisition the College and Tydfil Training Company management teams have been working together to maximise the benefits available to both parties. By combining our resources and skills, it will give the new body the greatest potential to maximise the offer from the newly commissioned "Working Wales" contract.
